

K-LOVE, Memphis, TN serves me as a resident of the Collierville/Memphis community.

I believe my community needs Christian radio desperately; K-LOVE provides the only Christian music and commentary available to my children and myself. K-LOVE's programming helps me and my family to live out our beliefs--that of total commitment to Jesus Christ. If you give LPFM priority over FM translator service, we may not be able to receive K-LOVE's signal. PLEASE PROTECT K-LOVE's programming and signal. Thank you.
